

Students' Union UCL, Disabled Students' Officer jobshare candidates 2022

We'd like to introduce ourselves: Frances & Camella

Frances

I've worked with disabled students for 20+ years.

My PhD research looks at deaf students' access to HE: the barriers they face at university, government policy and Disabled Students' Allowances funding.

I'm also an IoE Doctoral Community Mentor.

I live with bipolar, depression, anxiety, and OCD.

I want to make sure disabled students have the best possible university experience.
